## Siliconware Precision Industries $\mathrm{Co}_{2}$, Ltd.

Second Quarter 2017
Operating Results
July 25, 2017

The information herein contains forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Although we believe that these expectations and projections are reasonable, such forward-looking statements are inherently subject to risks, uncertainties and assumptions about us, including, among other things:

- the intensely competitive personal computer, communications, consumer ICs and non-commodity memory semiconductor industries and markets;
- cyclical nature of the semiconductor industry;
- risks associated with global business activities;
- non-operating losses due to poor financial performance of some of our investments;
- our dependence on key personnel;
- general economic and political conditions;
- possible disruptions in commercial activities caused by natural and human induced disaster, including terrorist activities and armed conflicts and contagious disease, such as the Severe Acute Respiratory Syndrome;
- fluctuations in foreign currency exchange rates; and
- other risks identified in our annual report for the year ended December 31, 2016 on Form 20-F filed with the U.S. Securities and Exchange Commission on Apr 11, 2017.

The words "anticipate," "believe," "estimate," "expect," "intend," "plan" and similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forwardlooking events discussed herein might not occur and our actual results could differ materially from those anticipated in these forwardlooking statements.

All financial figures discussed herein are prepared under T-IFRS on a consolidated basis. The investment gains or losses of our company for the three months ended June 30, 2017 reflect our gains or losses attributable to the second quarter of 2017 unaudited financial results of several of our investments (the "Investees") which are evaluated under the equity method. Neither the consolidated financial data for our company for the three months ended June 30, 2017, nor the consolidated financial data for our company for the six months ended June 30 , 2017 is necessarily indicative of the results that may be expected for any period thereafter.
