This announcement is made by Datang International Power Generation Co., Ltd. (the “**Company**”) pursuant to the Inside Information Provisions (as defined under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (the “**Securities and Futures Ordinance**”) and Rules 13.09(2)(a) and 13.10(B) of the Listing Rules. The relevant data of this announcement is prepared in accordance with China Accounting Standards for Business Enterprises.

I. ESTIMATED RESULTS FOR THE PERIOD

1. Period to which the estimated results apply: From 1 January 2020 to 30 June 2020.

2. Estimated results: According to the preliminary estimates made by the financial department of the Company, net profit attributable to the equity holders of the Company as reported in the consolidated financial statements of the Company and its subsidiaries (collectively referred to as the “**Group**”) for the six months ended 30 June 2020 is expected to increase by approximately RMB832.98 million to RMB1,005.03 million, or approximately 97% to 117%, as compared to the corresponding period of the previous year.
3. Net profit after deducting non-recurring gains and losses attributable to the equity holders of the Company as reported in the consolidated financial statements of the Group for the six months ended 30 June 2020 will increase by approximately RMB443.77 million to RMB615.83 million, or approximately 39% to 55%, as compared to the corresponding period of the previous year.
4. The data of the estimated results has not been audited by certified public accountants.

II. RESULTS OF THE CORRESPONDING PERIOD OF THE PREVIOUS YEAR

1. Net profit attributable to the equity holders of the Company as reported in the consolidated statements for the six months ended 30 June 2019 amounted to approximately RMB860.26 million.

Net profit after deducting non-recurring gains and losses attributable to the equity holders of the Company as reported in the consolidated statements for the six months ended 30 June 2019 amounted to approximately RMB1,129.49 million.

2. Basic earnings per share: RMB0.0381 per share.

The above data for the first six months of 2019 is prepared in accordance with China Accounting Standards for Business Enterprises.

III. MAIN REASONS FOR THE ESTIMATED INCREASE IN THE RESULTS FOR THE PERIOD

The estimated increase in profit for the results of the Group for the period was mainly attributable to the following factors:

1. The operating costs of the Company decreased significantly as compared to the corresponding period of the previous year as a result of the decline in coal prices;
2. Affected by the provision for impairment loss in the bankruptcy liquidation of the holding subsidiary(ies) of the Company in the previous period, the non-operating profit and loss for the period increased significantly year-on-year; and

3. The Company optimized its financing structure, and the equity financing accounted for a larger proportion of the period, which caused a significant year-on-year decrease in finance costs of the Company.

IV. RISK WARNING

As of the date of this announcement, the Company has no significant uncertainties such as accounting treatment disputes and uncertain major transactions which may affect the accuracy of the estimated results.

The estimated results for the period are only preliminary estimates made by the Company and have not been audited by certified public accountants. The detailed and precise financial data of the Company shall be based on the 2020 interim report which is to be officially disclosed by the Company. Investors are advised to be aware of investment risks.

Announcement is hereby given.
